

SKATE STORAGE DONE RIGHT!

YOUR TOTAL RINK RESOURCE

DRI-SEAT

PERMANENT AND PORTABLE SOLUTIONS

Rink Systems offers the best storage solutions in the industry. Both our permanent and portable storage options are built with a sturdy steel framework and a powder coated finish. Shelves are fully adjustable to maximize your floor space. All units are made from solid HD polyethylene and come in a standard poly shelving option or **UPGRADE** to our **DRI-SEAT!** Our Dri-Seat units have a hollow bottom that increases air flow to promote drying and eliminate blade rust. All units are easy to maintain and clean. With our permanent or portable solutions we can work with you to find the best storage for your facility.
